As the students enjoy French life and bond with their French families, parents will visit the stunning Palais des Papes, enjoy a food tour of the market Les Halles, visit the le Pont d’Avignon, and have time to explore the many small shops of Avignon. They’ll also take a beautiful day trip by train to the Roman city of Nîmes, where they’ll visit the Jardin de la Fontaine, les Arènes des Nîmes and La Maison Carrée. The French host families will welcome the American parents into their homes for a day so parents and children can learn about authentic French life and build friendships to last a lifetime! The Family Stay Experience

We believe that spending time with a family, speaking their language and participating in their customs is the best and most authentic way to experience another culture. It’s also what makes our programs different from any other travel experience. After more than 40 years of arranging family stays, we’re no longer surprised when our participants say that spending time with a family was the best part of their experience!
